

Heart Puzzle Reflection

- **Use the Heart Shaped puzzle piece provided**
- **Print one copy your family**
- **Cut it into pieces**
- **Pass out the puzzle pieces – one to each person. Some people may have more than one piece.**
- **Have the people answer the following question:**

Write this on one side of your puzzle piece:

- ♥ the specific special gift or talents you have to share with other's in your family.

Write this on the other side of your puzzle piece:

- ♥ one thing about someone else in your family that you admire or like.

Discussion:

- ♥ Share what you wrote on your puzzle pieces.
- ♥ Can anyone give an example of when they saw another person use their talent or gift?

Put the puzzle together.

Tape it together.

Find a spot to hang it where everyone can see it so it reminds of how special our family is.

Talk about the camp message: *At the Heart of WeHaKee is Relationship! Sharing information about yourself and what you admire in others is a great way to build a strong relationship.*
