Training, Certifications, and Workshops Experience

(Please list specific certifications, trainings, or workshops attended in school or outside of school. You may use a separate sheet if necessary).

The WeHaKee CIT1 Program is designed as a bridge between being a camper and becoming a counselor or leader. You will be provided with valuable training in such areas as relationship building, group dynamic techniques, and skill-building, as well as instruction in leading, motivating, and effectively communicating with the variety of age groups present at WeHaKee.

The CIT1 Program has been designed with options for your participation and leadership. To help us get to know you better, what experiences have you had working with and/or leading young people? *(You may use a separate sheet if necessary).*

Activity Period Roles and Responsibilities

To help ensure you have a satisfying balance of activity opportunities, please complete the following Activity Chart. These activities will be available to most of our CIT1 Program participants. As a part of the CIT1 Program, you will be provided times to enjoy WeHaKee activities just as our campers do.

1. Please select at least **5 activities you have experience in and wish to be assigned to as a CIT1** to observe and practice your leadership skills.
2. Then, please select **10 activities in which you wish to PARTICIPATE**. Rank them 1-10 in order of your preference. List your rankings in the 'Camper' column.

	CIT1	Camper		CIT1	Camper		CIT1	Camper
